ORDER

18-CV-11386 (VSB) (KHP)

KATHARINE H. PARKER, UNITED STATES MAGISTRATE JUDGE:

As discussed at the July 26, 2023 Case Management Conference:

GE previously provided an *in camera* sample of 25 documents to aid the Court in assessing Spectrum's motion to compel. Certain of these documents were images and/or diagrams. By **Wednesday, August 2, 2023**, GE shall determine whether any of those documents that constitute mere images or diagrams have any parent or child documents, and if so, shall send copies of the parent/child documents to the Court for its *in camera* review. GE's cover email shall clearly explain the connection between the documents. To the extent the parent/child documents were produced, GE shall provide the bates numbers to Spectrum.

Additionally, the parties are directed to schedule dates for the expert depositions in a timely fashion in order to ensure expert depositions occur by the October 13, 2023 deadline.

SO ORDERED.
